

Recognized Accrediting Organizations

(as of April 2009)

This chart lists regional, national faith-related, national career-related and programmatic accreditors that are or have been recognized by the Council for Higher Education Accreditation (CHEA) or the U.S. Department of Education (USDE) or both. Organizations identified by (•) are recognized; (–) indicates those not currently recognized. An asterisk (*) identifies accrediting organizations that were formerly recognized.

CHEA-recognized organizations must meet CHEA eligibility standards (www.chea.org/recognition/recognition.asp). Accreditors exercise independent judgment about whether to seek CHEA recognition. For USDE recognition, accreditation from the organization is used by an institution or program to establish eligibility to participate in federal student aid or other federal programs (www.ed.gov/about/offices/list/ope/index.html). Some accreditors cannot be considered for USDE recognition because they do not provide access to federal funds. Other accreditors have chosen not to pursue USDE recognition.

Because CHEA affiliation and USDE recognition depend on a range of factors, readers are strongly cautioned against making judgments about the quality of an accrediting organization and its institutions and programs based solely on CHEA or USDE status. Additional inquiry is essential. If you have questions about the CHEA or USDE recognition status of an accreditor, please contact the accrediting organization.

This chart is updated when the CHEA Board of Directors recognizes or withdraws recognition of an accrediting organization and when the United States Secretary of Education recognizes or withdraws recognition of an accrediting organization. Please visit the CHEA website at: www.chea.org
