CHEA Recognition Information

History: Recognized by CHEA in May 2001

Most Recent Recognition Action

Date: CHEA Board of Directors Meeting, January 26, 2015

Decision: Denial of recognition

The CHEA Committee on Recognition and the Board of Directors reviewed the Society of American Foresters (SAF). The review was based on the six CHEA recognition standards that require an accrediting organization to show that its accreditation process advances academic quality, demonstrates accountability, encourages self-scrutiny and planning, employs fair and appropriate procedures and demonstrates ongoing review of practice, and that it possesses sufficient resources to carry out its accreditation processes (*2006 CHEA Recognition Policy and Procedures*, Paragraphs 12A-12F, pp. 5-8).

The Board of Directors denied recognition due to lack of evidence that SAF implements accreditation standards or policies that require institutions or programs routinely to provide reliable information to the public on their performance, including student achievement as determined by the institution or program (Paragraph 12B.1), *2006 CHEA Recognition Policy and Procedures*.
