Identify which of the following changes are included in this request for change in scope (select all that apply):

change in the type(s) of institutions and programs;

addition or removal of a degree level;

change of geographical boundaries of accreditation activity (i.e., United States and international locations); and

addition or removal of a professional field of study.

1. Current CHEA Scope of Recognition (include date):

2. Provide the proposed CHEA-recognized scope statement.

3. Describe the reason(s) for the proposed change (be specific).

If the Scope of Recognition includes non-degree programs, the accrediting organization must be able to demonstrate that those programs meet the CHEA Standards.

If the accrediting organization conducts any accreditation activities for which it is not seeking recognition (e.g., internships, clinical training and post-doctoral work) those activities must be identified below.

Please explain how the public will be informed of any accreditation activities for which the accrediting organization is not seeking recognition.

Attach documentation that demonstrates completion of Items A.-D.

A. Evidence that the proposed change(s) were made public.

B. Evidence that the decision-making body approved the change.

- C. Evidence that the new proposed scope has been effectively implemented at a minimum of two institutions or programs
- D. Evidence that the accrediting organization's capacity is adequate to accommodate the proposed change in scope.

The Committee on Recognition reviews the request for Change in Scope at its next scheduled meeting providing that the request is received at least 45 calendar days prior to the scheduled meeting. CHEA notifies the accrediting organization of the Committee's decision to approve, deny or seek additional information.
