“(a) COMMON FINANCIAL AID FORM DEVELOPMENT AND PROCESSING.—

“(1) IN GENERAL.—

“(A) COMMON FORMS.—The Secretary, in cooperation with representatives of agencies and organizations involved in student financial assistance, shall produce, distribute, and process free of charge common financial reporting forms as described in this subsection to be used to determine the need and eligibility of a student for financial assistance under parts A through E of this title (other than under subpart 4 of part A). The forms shall be made available to applicants in both paper and electronic formats.

“(B) FAFSA.—The common financial reporting forms described in this subsection (excluding the form described in paragraph (2)(B)), shall be referred to collectively as the ‘Free Application for Federal Student Aid’, or ‘FAFSA’.

“(2) PAPER FORMAT.—

“(A) IN GENERAL.—The Secretary shall encourage applicants to file the electronic versions of the forms described in paragraph
(3), but shall develop, make available, and process—

“(i) a paper version of EZ FAFSA, as described in subparagraph (B); and

“(ii) a paper version of the other forms described in this subsection, in accordance with subparagraph (C), for any applicant who does not meet the requirements of or does not wish to use the process described in subparagraph (B).

“(B) EZ FAFSA.—

“(i) IN GENERAL.—The Secretary shall develop and use, after appropriate field testing, a simplified paper application form for applicants meeting the requirements of section 479(c), which form shall be referred to as the ‘EZ FAFSA’.

“(ii) REQUIRED FEDERAL DATA ELEMENTS.—The Secretary shall include on the EZ FAFSA only the data elements required to determine student eligibility and whether the applicant meets the requirements of section 479(c).

“(iii) REQUIRED STATE DATA ELEMENTS.—The Secretary shall include on
the EZ FAFSA such data items as may be necessary to award State financial assistance, as provided under paragraph (5), except the Secretary shall not include a State’s data if that State does not permit its applicants for State assistance to use the EZ FAFSA.

“(iv) FREE AVAILABILITY AND DATA DISTRIBUTION.—The provisions of paragraphs (6) and (10) shall apply to the EZ FAFSA.

“(C) PHASE-OUT OF FULL PAPER FAFSA.—

“(III) provide a printed copy of the full paper version of FAFSA upon request.

“(3) ELECTRONIC VERSIONS.—

“(A) IN GENERAL.—The Secretary shall produce, make available through a broadly available website, and process electronic versions of the FAFSA and the EZ FAFSA.

by the Secretary pursuant to this paragraph by
an eligible institution, eligible lender, a guar-
anty agency, a State grant agency, a private
computer software provider, a consortium of
such entities, or such other entity as the Sec-
retary may designate. Data collected by the
electronic versions of such forms shall be used
only for the application, award, and administra-
tion of aid awarded under this title, State aid,
or aid awarded by eligible institutions or such
entities as the Secretary may designate. No
data collected by such electronic versions of the
forms shall be used for making final aid awards

mitted under this title.

“(G) PRIVACY.—The Secretary shall en-

and to protect against security threats, or un-
authorized uses or disclosures of the informa-
tion provided on the electronic version of the
form.

“(H) SIGNATURE.—Notwithstanding any
other provision of this Act, the Secretary may
permit an electronic version of a form developed

a personal identification number provided by
the Secretary under subparagraph (I).

“(I) PERSONAL IDENTIFICATION NUMBERS
AUTHORIZED.—The Secretary is authorized to
assign to an applicant a personal identification
number—

“(i) to enable the applicant to use
such number as a signature for purposes
of completing an electronic version of a
form developed under this paragraph; and

the Secretary to enable the Secretary to
carry out this title.
“(J) PERSONAL IDENTIFICATION NUMBER
IMPROVEMENT.—Not later than 180 days after
the date of enactment of the Higher Education
Amendments of 2007, the Secretary shall im-
plement a real-time data match between the So-

through an electronic version of a form devel-
oped under this paragraph.

“(4) STREAMLINED REAPPLICATION PROC-
ESS.—

“(A) IN GENERAL.—The Secretary shall
develop streamlined paper and electronic re-

applicant applied for financial assistance under
this title.

“(B) UPDATING OF DATA ELEMENTS.—
The Secretary shall determine, in cooperation
with States, institutions of higher education,
agencies, and organizations involved in student
financial assistance, the data elements that may be transferred from the previous academic year’s application and those data elements that shall be updated.

“(C) REDUCED DATA AUTHORIZED.—Nothing in this title shall be construed as limiting the authority of the Secretary to reduce the number of data elements required of reapplicants.

“(D) ZERO FAMILY CONTRIBUTION.—Applicants determined to have a zero family contribution pursuant to section 479(c) shall not be required to provide any financial data in a reapplication form, except data that are necessary to determine eligibility under such section.

“(5) STATE REQUIREMENTS.—

“(A) IN GENERAL.—Except as provided in paragraphs (2)(B)(iii), (3)(D), and (4)(B), the Secretary shall include on the forms developed under this subsection, such State-specific data items as the Secretary determines are necessary to meet State requirements for need-based State aid. Such items shall be selected in consultation with State agencies in order to assist
in the awarding of State financial assistance in accordance with the terms of this subsection.
The number of such data items shall not be less than the number included on the common financial reporting form for the 2005–2006 award year unless a State notifies the Secretary that the State no longer requires those data items for the distribution of State need-based aid.

“(B) ANNUAL REVIEW.—The Secretary shall conduct an annual review to determine—

“(i) which data items each State requires to award need-based State aid; and

“(ii) if the State will permit an applicant to file a form described in paragraph (2)(B) or (3)(C).

“(C) USE OF SIMPLIFIED APPLICATION FORMS ENCOURAGED.—The Secretary shall encourage States to take such steps as are necessary to encourage the use of simplified forms under this subsection, including those forms described in paragraphs (2)(B) and (3)(C), for applicants who meet the requirements of subsection (b) or (e) of section 479.
“(D) Consequences if state does not accept simplified forms.—If a State does not permit an applicant to file a form described in paragraph (2)(B) or (3)(C) for purposes of determining eligibility for State need-based financial aid, the Secretary may determine that State-specific questions for such State will not be included on a form described in paragraph (2)(B) or (3)(B). If the Secretary makes such determination, the Secretary shall advise the State of the Secretary’s determination.

“(E) Lack of State response to request for information.—If a State does not respond to the Secretary’s request for information under subparagraph (B), the Secretary shall—

“(i) permit residents of that State to complete simplified forms under paragraphs (2)(B) and (3)(B); and

“(ii) not require any resident of such State to complete any data items previously required by that State under this section.

“(F) Restriction.—The Secretary shall not require applicants to complete any financial
or non-financial data items that are not required—

“(ii) by the Secretary.

“(6) CHARGES TO STUDENTS AND PARENTS FOR USE OF FORMS PROHIBITED.—The need and eligibility of a student for financial assistance under parts A through E (other than under subpart 4 of part A) may be determined only by using a form developed by the Secretary under this subsection. Such forms shall be produced, distributed, and processed by the Secretary, and no parent or student shall be charged a fee by the Secretary, a contractor, a third-party servicer or private software provider, or any other public or private entity for the collection, processing, or delivery of financial aid through the use of such forms. No data collected on a paper or electronic version of a form developed under this subsection, or other document that was created to replace, or used to complete, such a form, and for which a fee was paid, shall be used.

“(7) RESTRICTIONS ON USE OF PIN.—No person, commercial entity, or other entity shall request, obtain, or utilize an applicant’s personal identification number assigned under paragraph (3)(I) for

“(9) Early estimates of expected family contributions.—The Secretary shall permit an applicant to complete a form described in this subsection in the years prior to enrollment in order to obtain from the Secretary a nonbinding estimate of the applicant’s expected family contribution, computed in accordance with part F. Such applicant shall be permitted to update information submitted on a form described in this subsection using the process required under paragraph (4).

“(10) Distribution of data.—Institutions of higher education, guaranty agencies, and States shall receive, without charge, the data collected by the Secretary using a form developed under this subsection for the purposes of processing loan applications and determining need and eligibility for institutional and State financial aid awards. Entities des-
ignated by institutions of higher education, guaranty agencies, or States to receive such data shall be subject to all the requirements of this section, unless such requirements are waived by the Secretary.

“(11) THIRD PARTY SERVICERS AND PRIVATE SOFTWARE PROVIDERS.—To the extent practicable and in a timely manner, the Secretary shall provide, to private organizations and consortia that develop software used by institutions of higher education for the administration of funds under this title, all the necessary specifications that the organizations and consortia must meet for the software the organizations and consortia develop, produce, and distribute (including any diskette, modem, or network communications) which are so used. The specifications shall contain record layouts for required data. The Secretary shall develop in advance of each processing cycle an annual schedule for providing such specifications. The Secretary, to the extent practicable, shall use multiple means of providing such specifications, including conferences and other meetings, outreach, and technical support mechanisms (such as training and printed reference materials). The Secretary shall, from time to time, solicit from such or-
ganizations and consortia means of improving the
support provided by the Secretary.

“(12) Parent’s social security number

providing consultative and preparation services in completing the forms.”; and

(5) by adding at the end the following:

“(e) EARLY APPLICATION AND AWARD DEMONSTRATION PROGRAM.—

“(1) PURPOSE.—The purpose of the demonstration program implemented under this subsection is to determine the feasibility of implementing a comprehensive early application and notification system for all dependent students and to measure the benefits and costs of such a system.

“(2) PROGRAM AUTHORIZED.—Not later than 2 years after the date of enactment of the Higher Education Amendments of 2007, the Secretary shall implement an early application demonstration program enabling dependent students who wish to participate in the program—

“(3) EARLY APPLICATION AND AWARD.—For all dependent students selected for participation in the demonstration program who submit a completed FAFSA, or, as appropriate, an EZ FAFSA, 2 years prior to the year such students plan to enroll in an institution of higher education, the Secretary shall, not later than 1 year prior to the year of such planned enrollment—

gram—

“(A) States selected through the applica-

“(C) secondary schools within the selected States that are interested in participating in the demonstration program, and can commit re-

students;
“(iii) in the case of institutions of higher education—

“(B) Waivers.—The Secretary is authorized to waive, for an institution participating in the demonstration program, any requirements under the title, or regulations prescribed under this title, that would make the demonstration program unworkable, except that the Secretary shall not waive any provisions with respect to the maximum award amounts for grants and loans under this title.

“(7) Outreach.—The Secretary shall make appropriate efforts in order to notify States, institu-
tions of higher education, and secondary schools of
the demonstration program.

“(8) EVALUATION.—The Secretary shall con-

conducting the evaluation, the Secretary shall—

“(A) identify whether receiving financial
aid awards or estimates, as applicable, 1 year
prior to the year in which the student plans to
enroll in an institution of higher education, has
a positive impact on the higher education aspi-
rations and plans of such student;

“(B) measure the extent to which using a
student’s income information from the year that
is 2 years prior to the student’s planned enroll-
ment date had an impact on the ability of
States and institutions to make financial aid
awards and commitments;

“(C) determine what operational changes
would be required to implement the program on
a larger scale;
“(D) identify any changes to Federal law that would be necessary to implement the program on a permanent basis; and

“(E) identify the benefits and adverse effects of providing early awards or estimates on program costs, program operations, program integrity, award amounts, distribution, and delivery of aid.

“(9) CONSULTATION.—The Secretary shall consult, as appropriate, with the Advisory Committee on Student Financial Assistance established under section 491 on the design, implementation, and evaluation of the demonstration program.

“(f) USE OF IRS DATA AND REDUCED INCOME AND ASSET INFORMATION TO DETERMINE ELIGIBILITY FOR STUDENT FINANCIAL AID.—

“(1) FORMATION OF STUDY GROUP.—Not later than 90 days after the date of enactment of the Higher Education Amendments of 2007, the Comptroller General of the United States and the Secretary of Education shall convene a study group whose membership shall include the Secretary of the Treasury, the Director of the Office of Management and Budget, the Director of the Congressional Budget Office, representatives of institutions of
higher education with expertise in Federal and State financial aid assistance, State chief executive officers of higher education with a demonstrated commitment to simplifying the FAFSA, and such other individuals as the Comptroller General and the Secretary of Education may designate.

“(2) STUDY REQUIRED.—The Comptroller General and the Secretary, in consultation with the study group convened under paragraph (1), shall design and conduct a study to identify and evaluate the means of simplifying the process of applying for Federal financial aid available under this title. The study shall focus on developing alternative approaches for calculating the expected family contribution that use substantially less income and asset data than the methodology currently used, as of the time of the study, for determining the expected family contribution.

“(3) OBJECTIVES OF STUDY.—The objectives of the study required under paragraph (2) are—

“(A) to shorten the FAFSA and make it easier and less time-consuming to complete, thereby increasing higher education access for low-income students;
“(B) to examine the feasibility, and evaluate the costs and benefits, of using income data from the Internal Revenue Service to pre-populate the electronic version of the FAFSA;

“(C) to determine ways in which to provide reliable information on the amount of Federal grant aid and financial assistance a student can expect to receive, assuming constant income, 2 to 3 years before the student’s enrollment; and

“(D) to simplify the process for determining eligibility for student financial aid without causing significant redistribution of Federal grants and subsidized loans under this title.

“(4) REQUIRED SUBJECTS OF STUDY.—The study required under paragraph (2) shall consider—

“(A) how the expected family contribution of a student could be calculated using substantially less income and asset information than the approach currently used, as of the time of the study, to calculate the expected family contribution without causing significant redistribution of Federal grants and subsidized loans under this title, State aid, or institutional aid, or change in the composition of the group of recipients of such aid, which alternative ap-
proaches for calculating the expected family contribution shall, to the extent practicable—

“(i) rely mainly, in the case of students and parents who file income tax returns, on information available on the 1040, 1040EZ, and 1040A; and

“(ii) include formulas for adjusting income or asset information to produce similar results to the existing approach with less data;

“(B) how the Internal Revenue Service can provide income and other data needed to compute an expected family contribution for taxpayers and dependents of taxpayers to the Secretary of Education, and when in the application cycle the data can be made available;

“(C) whether data provided by the Internal Revenue could be used to—

“(i) prepopulate the electronic version of the FAFSA with student and parent taxpayer data; or

“(ii) generate an expected family contribution without additional action on the part of the student and taxpayer;
“(D) the extent to which the use of income data from 2 years prior to a student’s planned enrollment date would change the expected family contribution computed in accordance with part F, and potential adjustments to the need analysis formula that would minimize the change;

“(E) the extent to which States and institutions would accept the data provided by the Internal Revenue Service to prepopulate the electronic version of the FAFSA in determining the distribution of State and institutional student financial aid funds;
